

## Professional Development Points for Teacher Re-Accreditation

Swim Australia Teachers who wish to renew their teaching qualifications are required to accumulate and provide evidence of having accumulated 15 Professional Development points during their 3-year Accreditation cycle.

This is so we can determine that you have continued to develop and improve your teaching capabilities through informal education and training opportunities and ensure that your knowledge and skills remain relevant in our ever-evolving industry.

**Professional Development points can be comprised of the following elective activities:**

<b>MEMBERSHIP</b>
